

Attendance Policy:**RESCHEDULING/MISSED LESSONS/ABSENCES**

Any missed lesson that I do not receive a call, voice mail, or email 48 hours before the day of the lesson is unexcused and the student WILL BE CHARGED for the lesson. Make up lessons in this scenario are subject to availability.

If I receive notice more than 48 hours ahead, we will either find a makeup time, or we will credit the lesson towards the next semester.

Absences of the instructor will be announced as early as possible. They will be made up, a credit given towards the next semester, or refunded in full.
